

Join one of Victoria's independent clinics

(operating highly ethically and with a clinical model)

About the role

Our clinic is seeking a qualified Clinician to join us in our Bendigo clinic.

The Hearing Club is the biggest independent hearing service provider in Central Victoria with a history of more than 30 years. We offer patients comprehensive testing, professional advice, and ethical care and are outcome-focused to ensure we are providing a complete course of rehabilitation.

We are a proud member of Independent Audiologists Australia (IAA) and an equal opportunity employer, do not have sales targets and provide a very friendly environment to work alongside an experienced, qualified and highly trained team accredited to provide services to OHS, WorkCover and private patients.

About you

- Minimum 2 years' experience. *'Less experienced clinicians are welcome to apply as we may be open to train the right candidate. We want to find the right fit for the clinic'*
- Eligible to be a full member of either Audiology Australia (AA), Australian College of Audiology (ACAud) or Hearing Aid Audiometrist Society (HAASA).
- Excellent verbal and written communication skills.
- Genuine desire to help our patients with your friendly and caring outlook, passion for meeting and exceeding patient's needs with every interaction, and pride in delivering work to the highest possible standards.
- Organised and highly motivated with a positive "can-do attitude" and ready for a new challenge.

Why work with us?

- Only clinic in Central Victoria who provides vestibular test and paediatric test besides hearing aid fitting.
- Being an independent provider, we are working with hearing aids from all manufacturers to find the best fit for an individual patient's hearing needs.
- A friendly professional environment with flexible working days/hours.
- An opportunity to be part of a growing premium practice with room to grow personally and professionally.
- Competitive remuneration according to experience.
- Opportunities for continuing education.
