

PART TIME AUDIOLOGY POSITION Perth, WA

Specialist Hearing is an Independent Audiology Practice located close to the Perth CBD and based on a medical model. We are seeking a caring, enthusiastic Audiologist who believes in holistic patient centred care and evidence-based practice to offer the best outcomes in hearing and communication. We are a family centred practice who support each other to build a warm and nurturing environment for our staff and our patients.

We offer a wide range of services including diagnostic assessment adult and paediatric (over 4 years), tinnitus assessment and management, cochlear and middle ear implant assessment and management. We fit a wide range of hearing devices including Lyric. We do not offer sales incentives, pressures or bonuses but we do create a nurturing environment for the clinician to grow in confidence, experience and work satisfaction.

The suitable applicant will have a passion for audiology and patient advocacy with a drive to learn and embrace new ideology and work within a multi-disciplinary team.

We are well respected by our referring medical physicians, patients and the general community for our integrity and patient advocacy. If you are an Audiologist who is disillusioned by your current work ethic and want to make a difference to people's lives, then this might be the right change for you!

We offer a competitive salary based on the level of capability and experience and excellent conditions. The applicant must have full Audiology Australia membership and good written and verbal skills.

Applications including driver's licence to be sent to admin@specialisthearing.com.au and close on the 7th September 2021. All applications and queries will be strictly confidential. Should you have any queries you can contact us on 08 93873335.
