

Fabulous opportunity to join an independent audiology clinic in beautiful Kapiti Coast region, New Zealand, with excellent remuneration and benefits.

We are looking for a qualified audiologist to join our client's wonderful team, with two clinics, 15 minutes' drive from each other.

What you will need:

- To be a qualified audiologist , preferably with some experience in a private audiology and hearing aid clinic,
- Your Certificate of Clinical Competence (if no ccc then we will help you through the process).
- To be able to work well as part of a cheerful team
- To enjoy relating to patients and establishing long-term caring relationships with them.
- Your energy, enthusiasm and commitment to helping this business service its established and growing patient base.

What is on offer:

- As an independent clinic our client has the ability to prescribe whatever products are needed. They pride themselves on finding the best solutions for their patients, regardless of the brand of product. There are no sales targets or commission-based sales; they believe in providing the best service and the best solution for their clients. Profit-share possible after 2 years for the right person.
 - Part or full time work to suit your life and work balance - 3-5 days per week.
 - A competitive salary
 - A company car
 - Assistance with relocation within New Zealand.
 - An amazing Kapiti Coast location within easy reach of Wellington, our very cool capital!
- We would absolutely love to hear from you – please email your cv to julia@starpeople.nz or call 04 2934833 for more information.
